啊啊啊!

呼

“且看啊，
我的继承人”

“且看啊，启示录”

好吧

所以天启把我变成...
变成现在这样子,变成
启示录,是为了让我承担
他的使命

适者生存

其中一部分是把我提升到
他认为能适应的程度

所以才有了
这次巨大的蜕变

作为一个没有什么
特别的原因,被随机挑选出的
样本,我现在被我那位愚蠢,
不讲理但又迷人的妻子从窗户里
被扔出去后还能活下来

也是如此

但更重要的是
我的变种人能力也
同样得到了升级

KRAKOA

<你说话带着
天启本人的权威>

<你可以让所有
听到你发言的人都
悉听遵命>

天启改造我之后，
对我说的第一句话是：

“站起来，去见你的
第一批信徒”

但他错了

你们不是
我的信徒，你们
是我的家人

我们有被赋予的使命，
活者生存

但天启这么多年来，
在那个目标上从未
成功过

所以我们需要
对这个极其古老的
使命有个新的认识

“活者生存”对
我们的目标来说
意味着什么？它看起来
会是什么样子？

我以前入侵电脑

现在我能
入侵人类

但我们必须
入侵这个星球

呃,我是说——

哦,对

你们俩都没看过
那部电影

可能这样
反而更好

我今天早上
就不需要再被扔出
窗外第二次了

我是
新变种人中
适应能力最差的

我是我们中
第一个死去的

所以什么是“适者”，
什么不是“适者”...
我还真不确定要
如何判断...

“...但我们必须
要从这一步开始”

科技族的哲学/意识形态/
教义/信念也信奉
类似的观点

但在上述文化/物种中，
“适者生存”指的是识别
不同文化，然后对其进行
消灭或改造/吸收

“适者是自我，
不适者会成为
自我=适者，或者被
摧毁，不适者=0”

“不太理想”

<本土
解读一下>

<阿拉科人是在
战争中锻造
出来的民族>

<“适者生存”
被写入到了我们
社会的方方面面>

<但地球不是
阿拉科，而且你们
变种人也不是
阿拉科人>

<“我和本土对
观念的文化解读都
不适用于这里”>

“他们是谁？”

“红兰处余孽？
基因国度，
智人联盟？”

但是！

“没有识别到的

敌方军力已被
匿名化

“有86%的可能性敌对力量是
来自于政府层面的”

“但没有识别

黑色行动

“你在心知肚明的情况下接手了他的使命，拉姆齐”

这一切都是你咎由自取

你是谁？

国家紧急事务办公室的

胡扯，O*N'E不会派出杀戮小队

对，对，我们不会

而这正是问题所在

O*N'E对你这种人太心慈手软了

高层没意识到我们正处于基因战争的态势

这就是为什么有一群志同道合的特工自发组织了一个小小的，属于我们自己的非官方行动小组：

Z*E*R*O.

我——

我干掉他了,贝.
我这边没有
危险了

你没必要杀他

<不,我
有必要>

<我知道你不是
阿拉科人吾爱>

<我知道暴力
并非你与生俱来的
本能>

<但我们即将投身的是
一项伟大的事业>

<而在这过程中,
会有人死去>

<其中一些人会死于
你自己之手>

<不管你
喜不喜欢,你都是
天启的继承人>

<这个头衔分量
很重,你现在是这个
世界不可小觑的力量,
你必须明白
这一点!>

<没有哪个人--
无论是变种人、人类,
还是其他任何生物--
能在用武器指着你之后
还活着>

你肯定很生气,
亲爱的

因为每次你生气的时候,
你都不记得我听不懂你的
灵能语言

但这个,我能懂

好了,我们动起来吧.
你去拿好我们的行李,
我去重启术士

“我们要烧掉
这个小屋

“等他们清点完
自己人的尸骨,再从灰烬里
翻找我们的尸骨时...

“...我们早就
走远了

“鉴于Z·E·R·O在
追杀我们,我们应该北上

“因为如果我们要
改变世界的话...

“...我们可能
需要一些X战警
的帮助”

X-MAIL

X-Mail,

Fourteen issues in and this is the book that I still look forward to the most each month. I'm glad to see Stegman is back. His style has really grown on me. Plus, I think he really fleshes out the background. MacKay's writing is top-shelf. Not only are the stories interesting and fun, but also he nails it in the small exchanges. I enjoy the "don't call me that" running gag. Plus, the scene where Juggernaut is the tactical thinker (at least emotionally) when trying to divert Temper away from Quentin was brilliant. And Chief Robbins is a great addition to the cast.

Also of note are nonstory features of the book. Along with the letters page, we have fun bullpen throwbacks like the checklist, Pro File and X-Mentions. This stuff takes me back through the decades. These books aren't only good, they're fun again.

On that last note, I'd like to make a suggestion. Please consider a monthly contest for fans who write in and award the winner with a quick head sketch of their favorite character. A gesture like this would go a long way for fan appreciation and would also help keep those letters coming in, which I like to read. Keep up the good work!

Appreciate you writing in, Jim! But I don't think we're going to be able to accommodate on your last request. It's tough enough to get our artists to draw twenty story pages every month.

Dear X-Office,

I just finished X-MANHUNT OMEGA, and wow, just wow. Nothing has made me happier than the focus on Scott's emotions in this run of X-MEN. Cyclops has always been a character who I've found very relatable, trying to live up to something impossibly great, feeling like an alien in comparison to everyone else and just forcing yourself to be responsible for every little thing. Seeing Scott have a

moment to just break down, even in a fantastical super-hero setting, was comforting. I hope you know how much these characters mean to kids like me everywhere.

Thank you,
Ve Phillips

It seems like readers such as yourself have truly begun to appreciate Cyclops over the course of our run, Ve, which feels like something of a minor accomplishment. And rest assured, there's more to come on that front!

Jed-iverse,

X-Mail...gee, where've I heard that before? Like maybe every X-MEN letters page ever? It is a bit of a cliché—how about something new or more meaningful...like: X-Mentions? Just a wild thought, since I was writing in anyway. WYRE?! Wyre from ALPHA FLIGHT??? IS that really him? Talk about a character you never thought you'd see again! Maybe there's still hope for mutants like Random or Windshear? Another idle wild thought: How about if the next Alpha Flight ongoing series was called "Omega Flight"? It's more dangerous...and there's never been an Omega Flight ongoing! Where was Corsair this issue? Did he leave Alaska without his cosmic bike...? Can't wait to see Piper and Jen become more fully realized--Jen even wore a costume this issue, so, looking good so far.

Andrew J. Shaw

Wait a minute, Andrew. You don't think that X-Mail is an original enough name...but Omega Flight is? That's a bit selective, wouldn't you say?

Hi, X-Team,

I'm loving MacKay and Stegman's new run, especially seeing Cyclops back in the spotlight. Stegman's art is beautifully weird, alien, stylish, and it feels so quintessentially X-MEN. I'm really enjoying how Stegman draws Scott too--he's got this Gen-Z vibe with his new look,

that serious scowl, stiff jaw and the '90s center-part hair...dreamy!!!

The way MacKay captures Scott's character is so intriguing too--his methodical focus, anxiety, strong moral compass and that introverted, control-freak leader dynamic with a ragtag team of livewires--it's just so well done.

I'm curious if we'll see Scott interact with Jean soon? I'm dying to see Stegman draw Phoenix! Plus, after that issue #3 panic attack, someone really needs to give our boy a big psychic hug!

Alex Bell

Another thumbs-up for Cyclops! Wolverine, look out! As for Scott and Jean, you might see something along those lines coming up shortly--keep your eyes peeled!

Hi, X-Team!

I just wanted to say how much the current X-MEN run has meant to me, especially as someone who's always had a soft spot for Idie Okonkwo. As a fellow Nigerian, seeing her given space and depth in this story has been really special. I'm so glad you included her on the team and gave her some real moments to shine! What I've always loved about Idie is how people underestimate her: mistaking her kindness for weakness. You've captured that balance in her so well. It really feels like you took the time to understand her history, especially with how her past romantic relationship with Quentin Quire fits into the story. I've honestly always loved those two as a romantic pair, and I'd be thrilled if there's more to come for their relationship down the line. Thank you for such an excellent run so far. I really appreciate the work you've put into it, and I hope you're doing well!

Dimeji Owokoya

And thanks to you, Dimeji, and everyone else for being here! Next time, we've got more Cyclops, as well as some other developments sure to get people writing in! So let's hear from you!

Stay weird!
