EPISODE 71: LET DOWN

行—行,今天
完全按计划的来!

在奥林匹斯发生了什么
得和我保持距离?

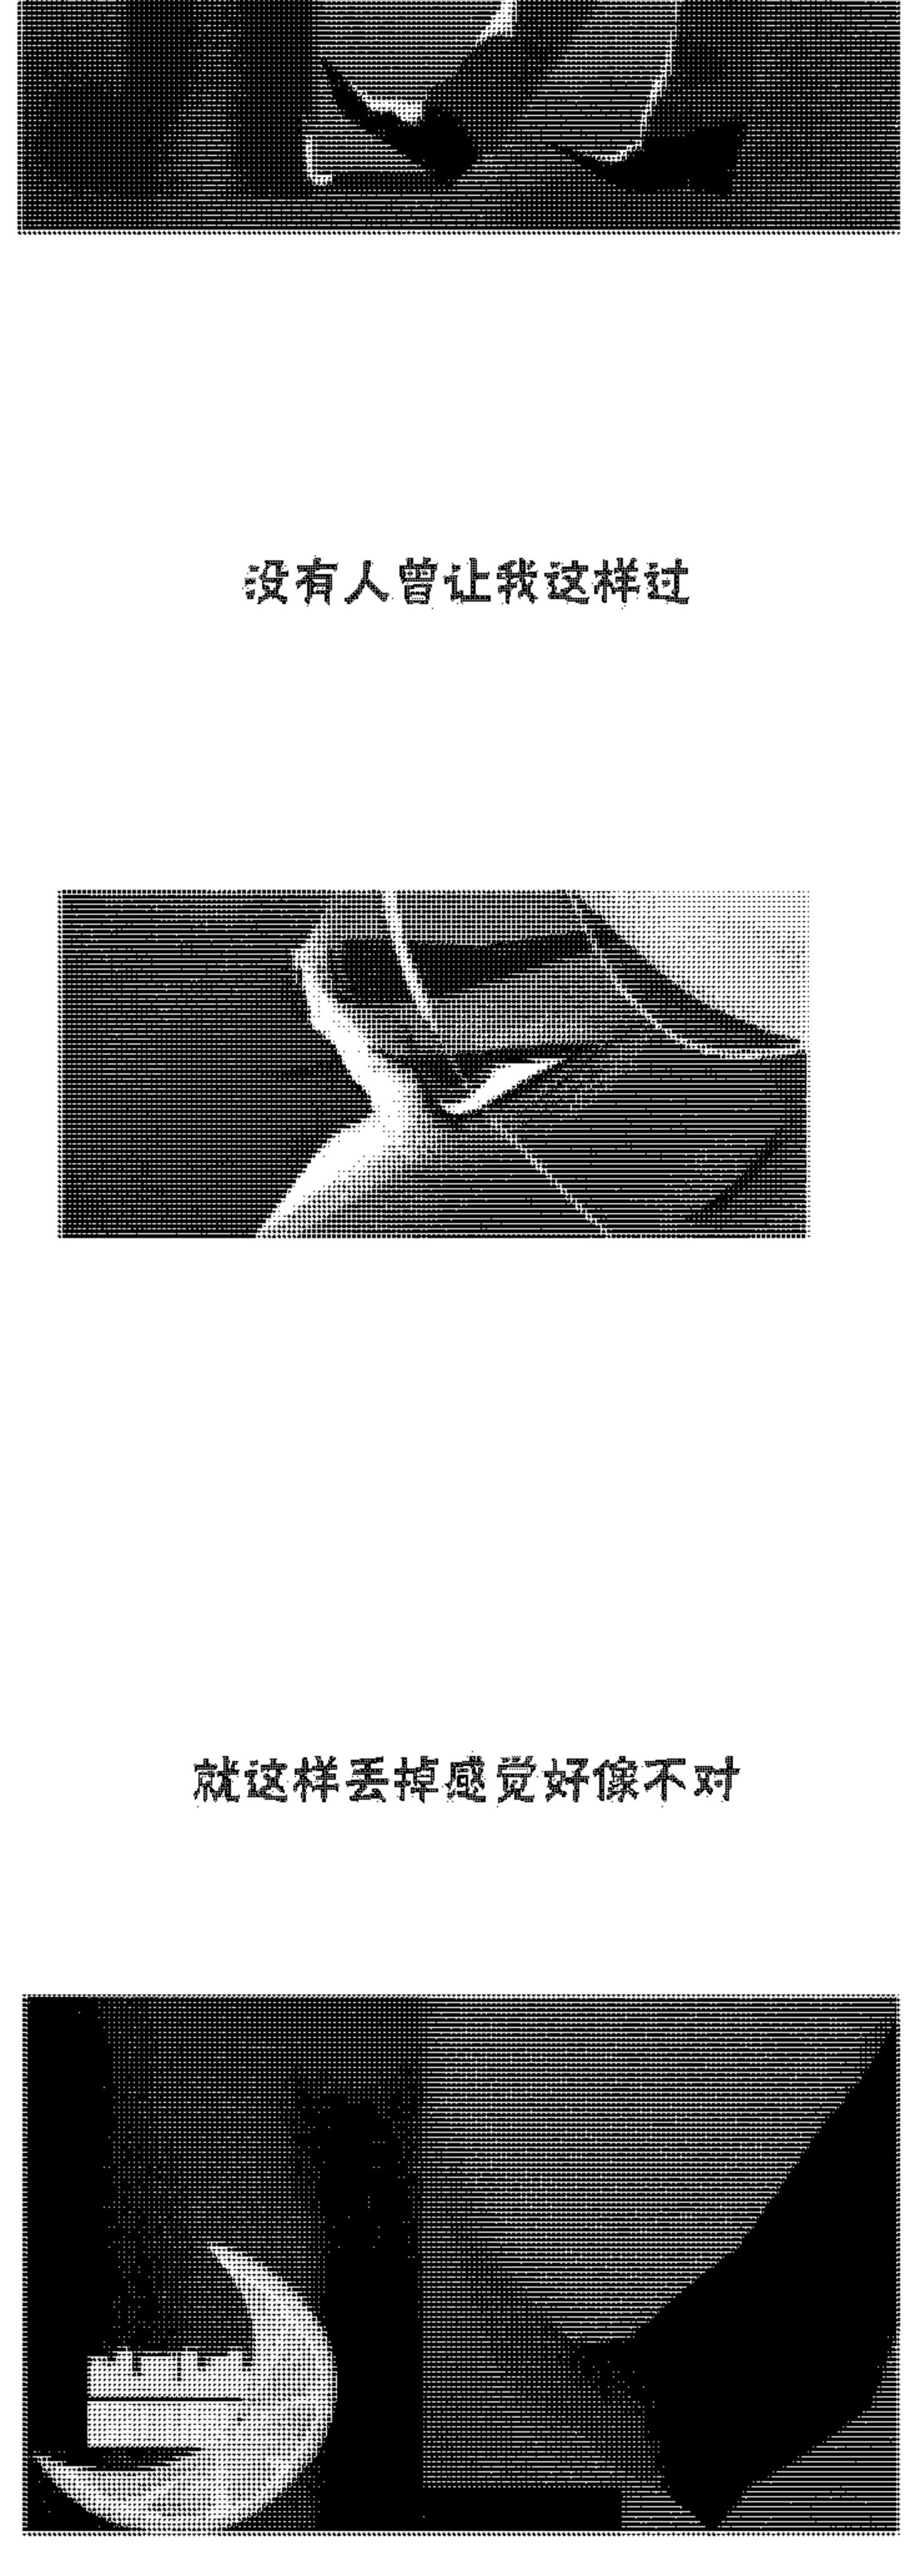

推开她比我想得还难

那个小光头

她知道自己
在折磨我吗？！

也许不知道，
因为她是个理智的人...

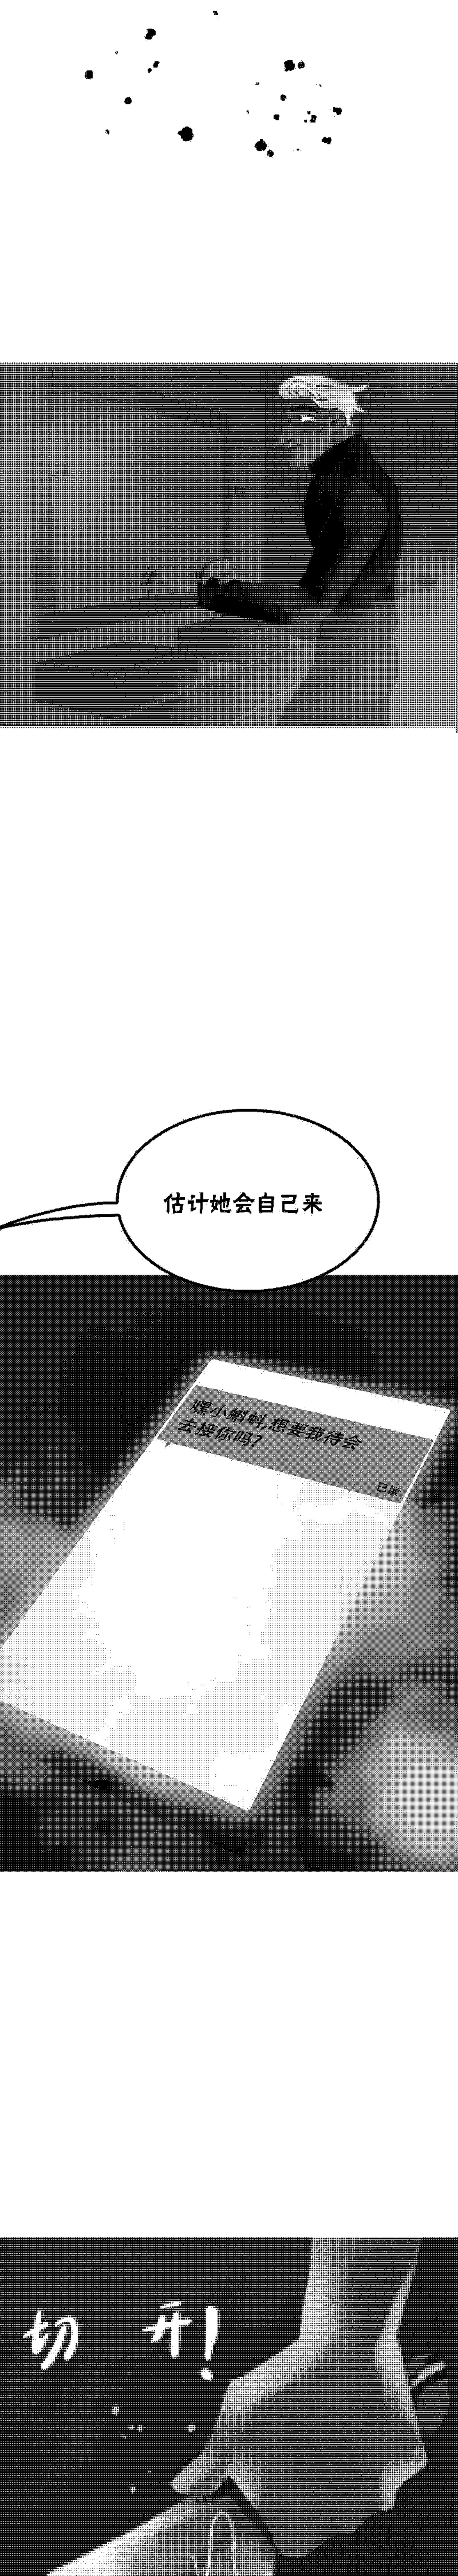

...不像我

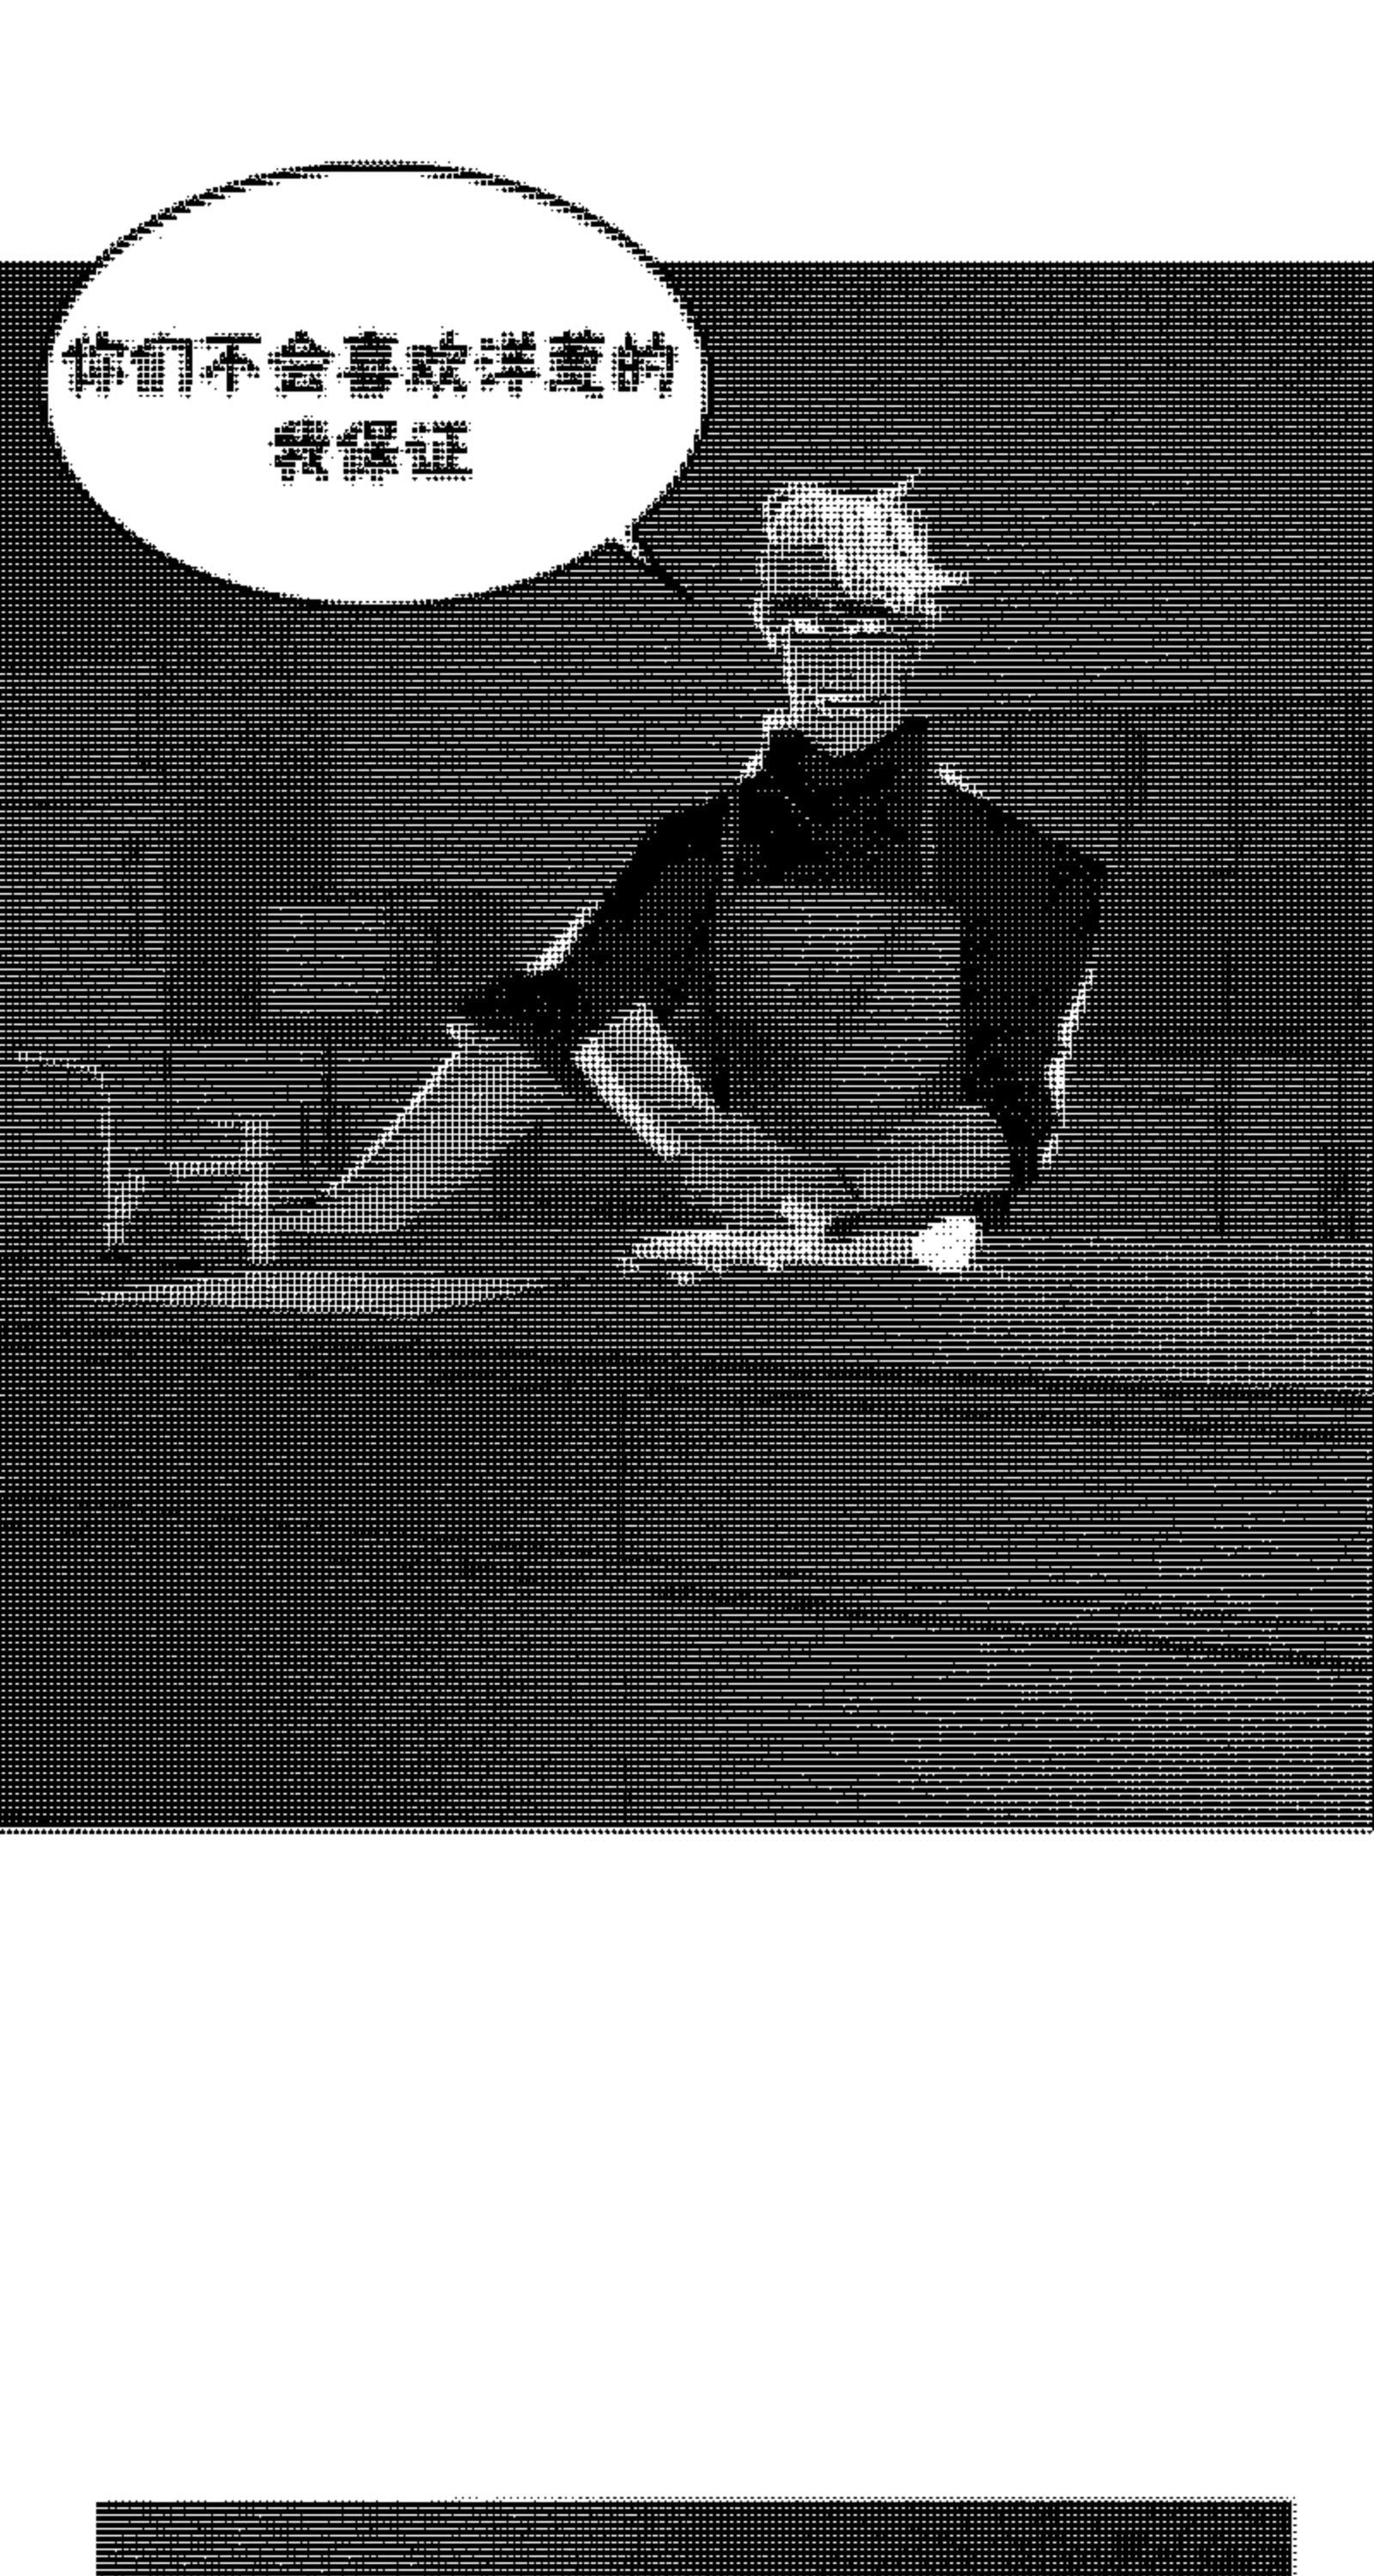

没有人曾让我这样过

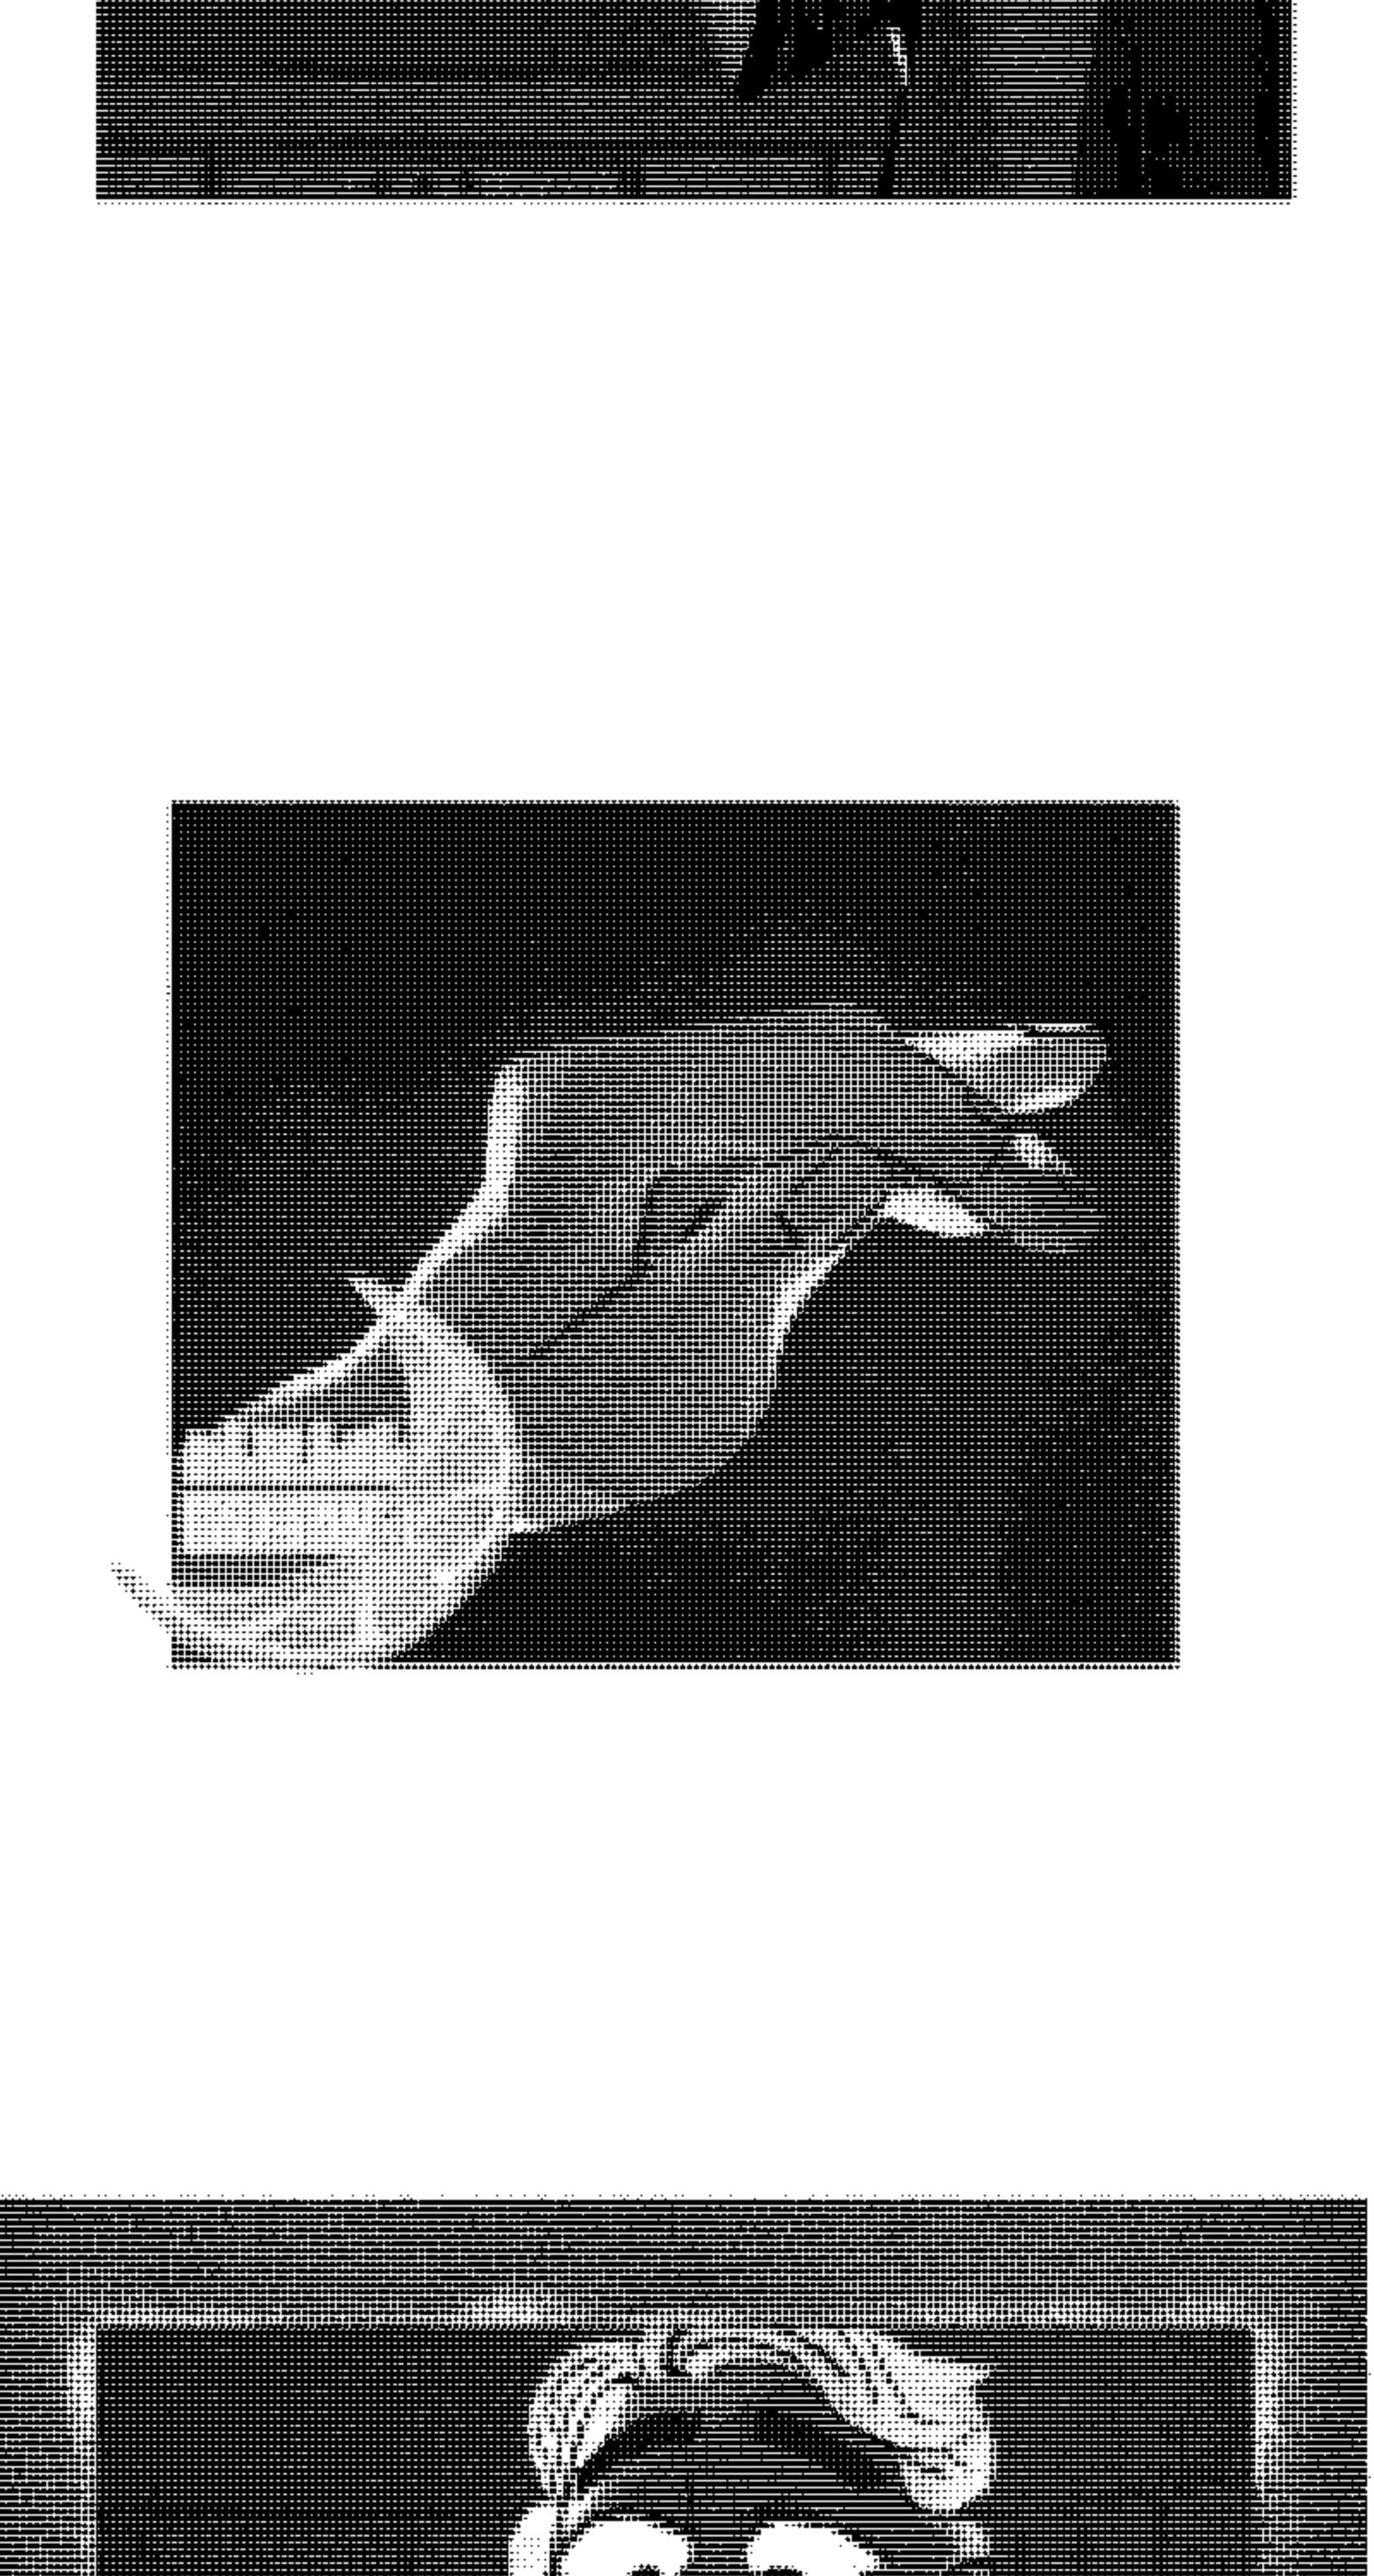

汪！

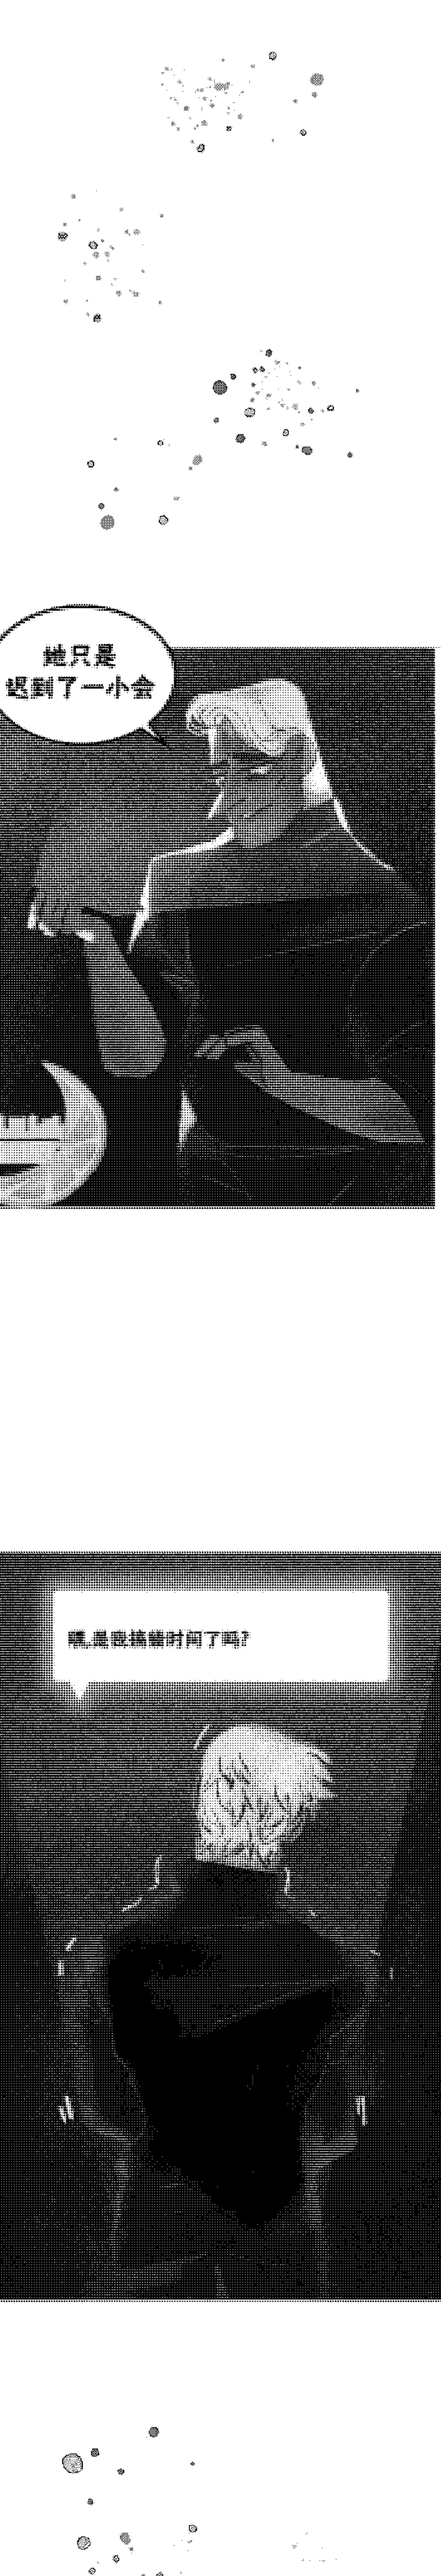

A high-contrast, black-and-white halftone photograph of a person sitting in a chair, viewed from behind. The person is wearing a dark shirt and light-colored pants. The background is dark and textured.

This is a black and white halftone photograph. The scene depicts a rugged, dark-colored mountain or rock formation in the lower half of the frame. The upper portion of the image is dominated by a very bright, overexposed sky, which appears almost white. The overall texture is grainy and lacks fine detail due to the halftone dot pattern.

This image is a high-contrast, black-and-white halftone graphic. It features a large, irregularly shaped central area with a fine dot pattern, suggesting a map or a specific emblem. This central area is surrounded by a thick, dark border composed of a dense grid of small dots. The overall effect is reminiscent of a low-quality photocopy or a stylized digital icon.

她只是遇到了一小会

没关系的，告诉我一声

如果你只是不想来了，

没关系的，告诉我一声

她当然不想待在你身边

我和我一模一样

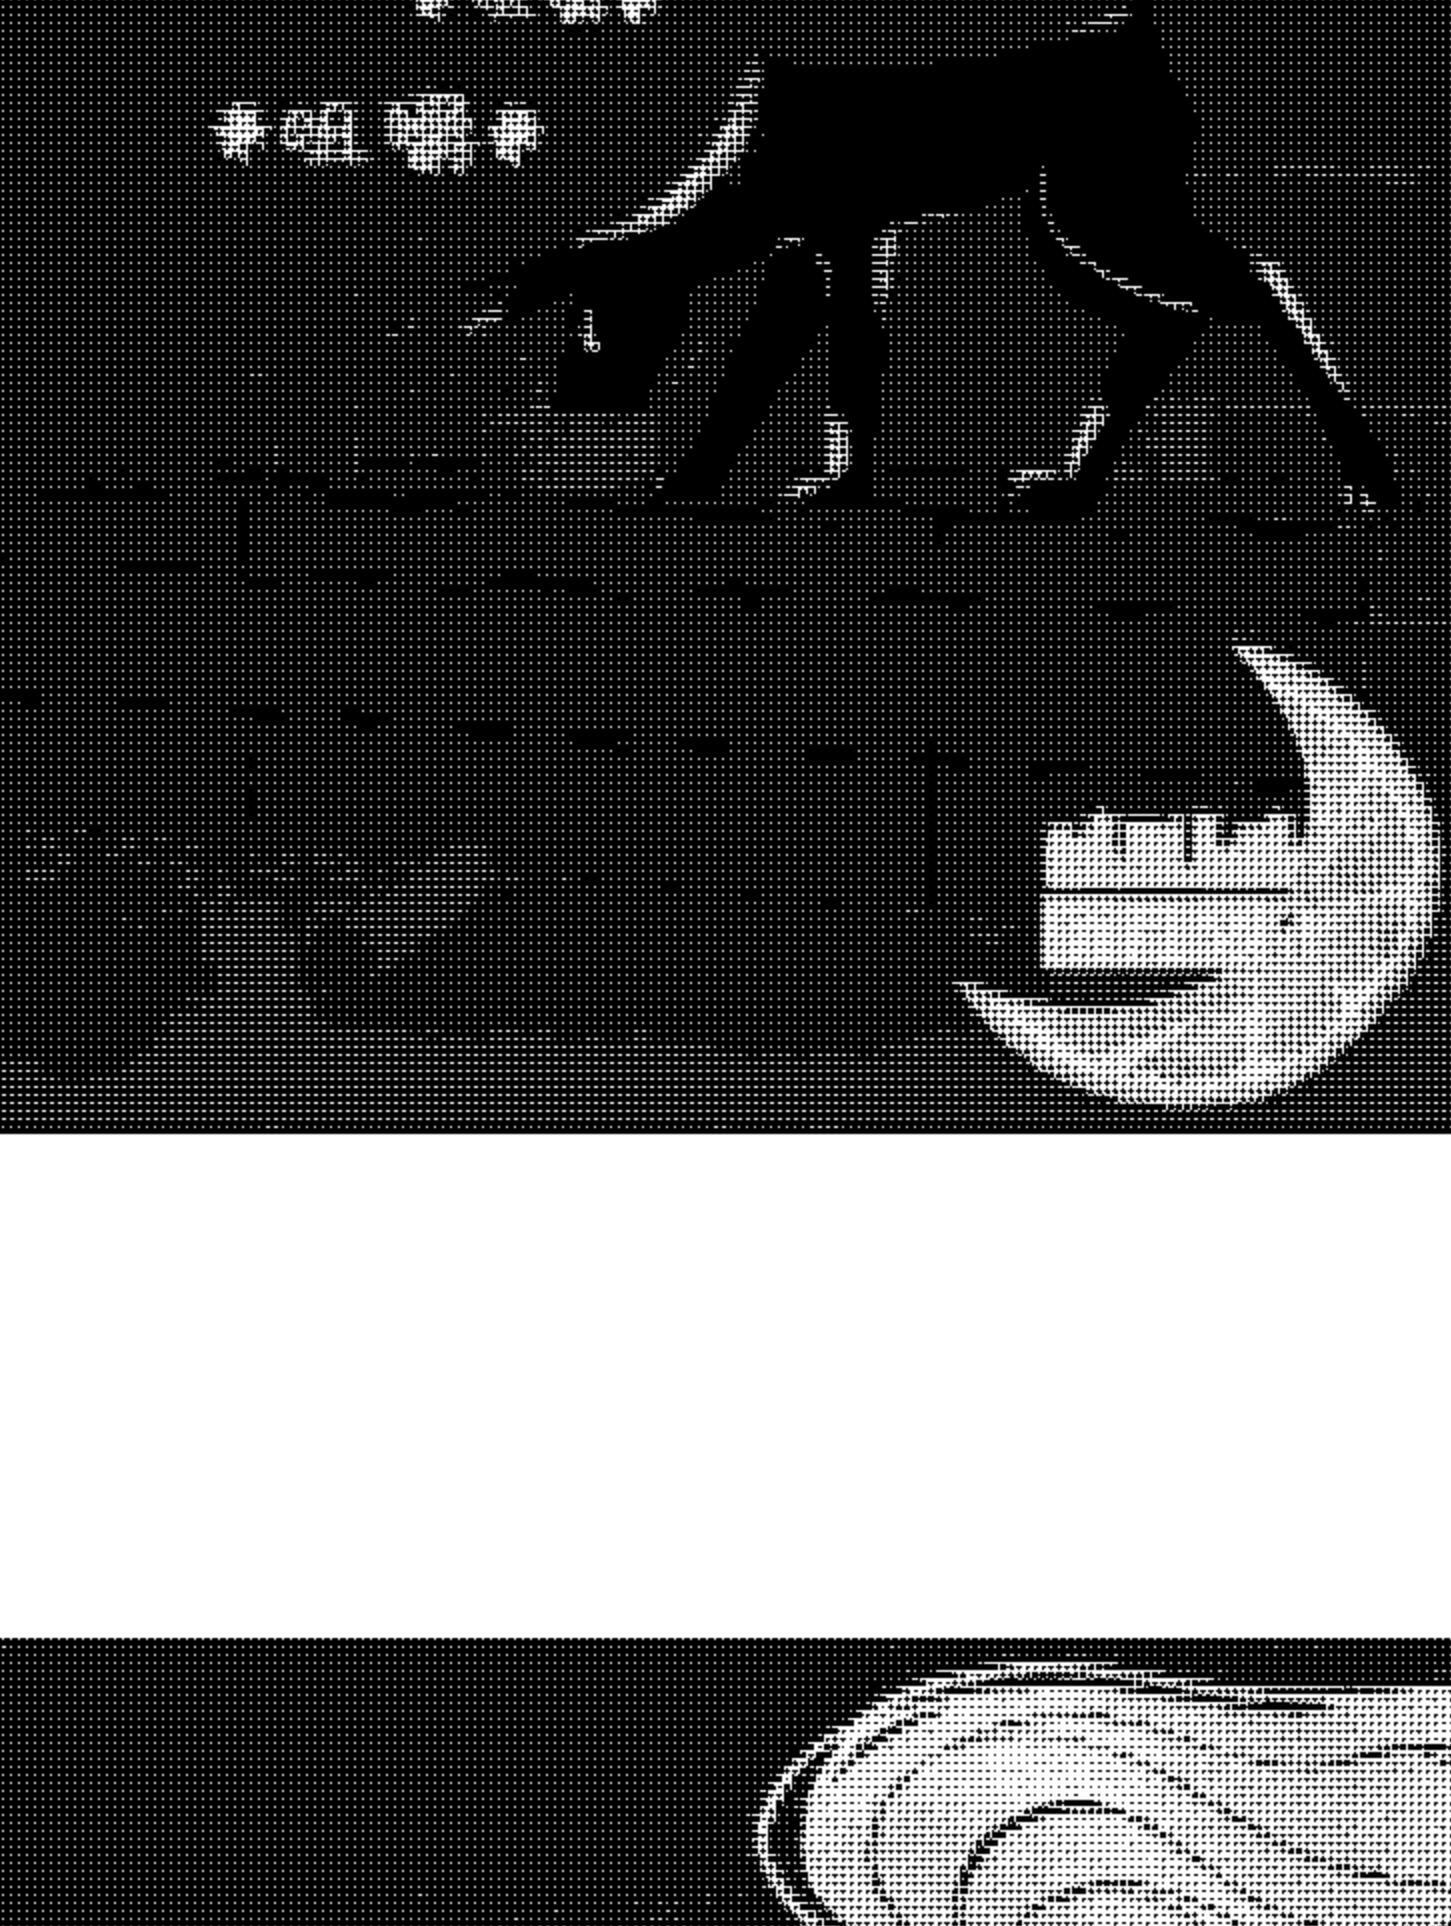

啊！

我睡着多久了？

头好痛……

这说明了不少事

如果你要打破
不许站在台子上的
规矩的话...

...那么我也要打破规矩了
