終於成功地做出的BBQ
像蛇一樣的BBQ...?

The image shows a large, bold, black and white graphic of Japanese text. The text is arranged in two rows. The top row consists of five individual characters: 'うち' (uchi), 'ば' (ba), 'ゆ' (yu), 'づ' (zu), and 'き' (ki). The bottom row consists of four large, overlapping characters: '内' (uchi), '場' (ba), '修' (yu), and '用' (zu). The characters are rendered with a halftone dot pattern, giving them a textured, printed appearance.

The image consists of two rows of large, bold, black-outlined Chinese characters on a white background. The top row contains the characters '金' (Jin) on the left and '利' (Li) on the right. The bottom row contains the characters '利' (Li) on the left and '人' (Ren) on the right. Each character is composed of thick black strokes with a fine, stippled texture. The background features a subtle pattern of gray halftone dots, particularly visible in the upper portion of the image.

A black and white halftone photograph showing a dense forest. In the foreground, there are several large, dark evergreen trees. Behind them, the forest continues with a mix of deciduous and coniferous trees, their leaves appearing as bright, textured patches against the darker trunks. The sky is overexposed, appearing as a bright, featureless area at the top of the frame.

A vertical halftone graphic of a person's head and shoulders, facing right, with a dotted background.
