A horizontal black and white halftone dot pattern that reads "PRINT". The letters are formed by a grid of dots, with varying dot sizes and densities to create the letters' shapes against a background of a regular dot pattern.

A black and white halftone graphic of a city skyline. The image is composed of a grid of dots, where the density of dots varies to create different shades of gray. The skyline features several buildings of varying heights, with the tallest building on the left and a cluster of buildings on the right. The background consists of a dense pattern of horizontal lines.
